

Supercharge your school with

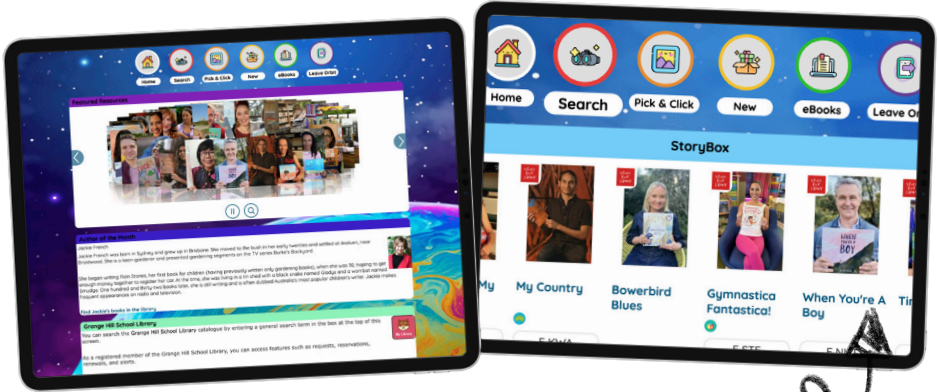

STORY BOX HUB + Oliver<sup>v5</sup>

Smarter access.  
Endless stories.  
Inspired learning.

CONNECT. ENGAGE. INSPIRE. EDUCATE.

A game-changing integration that brings stories to life, streamlines access, and sparks creativity - all in one place!

\* Oliver V5, now with a dedicated Orbit interface for younger students

## StoryBox Hub + Oliver V5 gives you:

- **Simplified access** – Enjoy hundreds of Australian stories, narrated by incredible storytellers, all accessible via Oliver V5!
- **Classroom ready content** - Explore hundreds of downloadable resources, designed to improve language and literacy skills.
- **Designed for students** – A vibrant, interactive platform that adapts to your school's needs, keeping learning fun and engaging.
- **Anytime, Anywhere** – Flexible access means students and teachers can explore stories at school or home.
- **Smarter library management** – One platform, easy integration for students and staff.

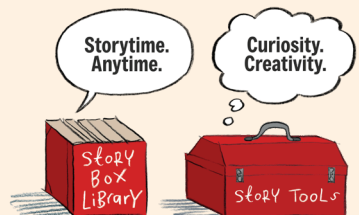

## Get started today!

Connect Oliver V5 with StoryBox Hub and transform your library.
